*Crafted for moments that last a lifetime*

Welcome to The Crown Barn, a charming countryside wedding venue nestled in the heart of Kent. We're delighted to share our beautiful barn with you and would love to be part of your journey as you plan your special day.

Our small, dedicated team is passionate about creating unforgettable weddings and ensuring every detail reflects your unique story.

Our Traditional Kentish Barn was built purposely for Weddings, set in the quiet Countryside of Finglesham and is the perfect place to host your big day. The rustic beams and high ceilings of the Crown Barn create the perfect ambience, not only is the barn romantic and intimate but also provides gorgeous photo opportunities both inside and outside the barn.

One of the phrases to best describe our Venue is a 'hidden gem', located in a quiet village means that our venue has a peaceful and private feel.

An excellent addition to our Wedding Barn, is the onsite accommodation for the newly-weds and their family and friends to stay overnight, so you can head to a gorgeous comfy room happy and hassle free after a night of dancing.

The classic traits of a barn wedding venue, like wooden floors and beams, provide a fantastic blank canvas. Most wedding themes and décor trends can be introduced seamlessly to create the wedding venue of your dreams. Whatever your style, a barn wedding venue will fit effortlessly.

# Ceremony Areas

We have two areas that our couples can have their Marriage or Civil Partnership in. One of our areas that our couples can choose from is an outside oak framed gazebo which is in our peaceful and private garden. Our second area is within our Barn with a traditional exposed brick backdrop providing an intimate and romantic feel to the ceremony. During the daytime couples can have up to a maximum of 80 daytime guests, we have a selection of different shape tables that you can choose from and welcome our couples to style the venue however they please to make it personal to them. Our venue holds a marriage licence allowing you to wed on the day with a registrar or you may prefer a blessing with a celebrant of your choice.

Fast forward to the evening reception where our couples can have an additional 70 non-seated guests in the evening to join in the fun.

We had the most amazing wedding day at The Crown Inn at Finglesham, everything was just perfect. The Barn setting, the food, the staff, accommodation and overall service. We felt our wedding was also a mini family holiday with us altogether on our special day. Thank you, guys.
